Many people are very confused about Feng Shui. Susan will teach you her easy-to-understand and easy-to-apply Feng Shui.

You will be able to apply Feng Shui to your own home and continue to make the necessary adjustments for yourself in the future creating a harmonious, balanced, abundant life. Susan is only allowing 5 students into these **very private classes** so you will receive a lot of personal teachings and attention.

Susan will share many of her secret Feng Shui skills with you.

Cost \$350.00 per person (This is also the price for a Private Feng Shui Home Consultation with Susan and after this class you will also have insight into how a Professional Consultation with Susan takes place)

For Practitioner Certification you can further your training with *Feng Shui Master Roseline Deleu*. This Session with Susan will be a RPL (Recognised Prior Learning) and the fee for Susan's class will be deducted if you book in to study with Roseline to become a Feng Shui Practitioner. Roseline will be running a Practitioner Course in Cairns during October 2010
